The official circular for Globe Business Park **o** July 2018

## Sustainable Travel Plan for GBP

Globe Business Park is a key employment location providing commercial office accommodation, together with industrial and manufacturing space. It is home to over 50 businesses and supporting more than 3,500 jobs contributing around £213m in gross value added to the UK economy.

GBP has evolved over several decades from a modest industrial estate on the edge of Marlow to become a significant business location in close proximity to the M40 corridor. However, the limited travel options do not meet the needs of the growing number of businesses and employees now located on the Park.

Issues relating to this are well documented and include long term investment to address parking and access/egress to moderate short-medium solutions via signage, sustainable transport options and easing congestion.

In order to address the long term strategy of infrastructure investment to maintain Globe Business Park as a sustainable business location, the GBP BID Board are working in partnership with Wycombe District Council and Buckinghamshire County Council, having commissioned Mott MacDonald to undertake a comprehensive Sustainable Travel Plan (STP) with a view to identifying potential measures to address key transport related issues such as:

- o** Parking;
- o** Road safety;
- o** Entry gateways;
- o** Cycle and pedestrian routes;
- o** Bus services;
- o** Rail services.

The STP will identify short, medium and long term proposals to target. Two workshops have been conducted to identify 'issues and ideas' from the wider group. If you missed these workshops but would like to contribute, please contact Margaret McCarthy.

In addition an employee survey has been circulated to identify how employees travel to/from work and their attitudes towards alternative travel options.

The survey deadline has been extended to 27th July. Please do complete the survey to be in with a chance to win one of three £50 Amazon vouchers.

[www.smartsurvey.co.uk/s/GBPSurvey](http://www.smartsurvey.co.uk/s/GBPSurvey)

Your feedback is essential in helping us plan the measures and initiatives we offer to help you travel to/from work.

## Hello there!

Welcome to the fifth edition of The Globe newsletter, brought to you by the Business Improvement District (BID) Board.

We hope you're finding the publication useful and informative. If there are any items you'd like to see here, as a one off or a regular feature, please do get in touch.

We're always looking for GBP news and promotions/events of interest to the wider group so do get in touch if you'd like your business to be featured in the next issue of the Globe or have a news item or event to share.

Thank you.

**Margaret**

## Have Your Say!

### Wider Group Meeting

**Wider Group meetings are held in April and October each year and provide an opportunity for all GBP stakeholders to receive updates and provide comments/feedback to the development and on-going maintenance of GBP.**

We know how hard it can be to take time out of the working day so we're looking to you to tell us what works best for you. Perhaps a drop in session or a shorter meeting with takeaway lunch? Our aim is to provide you with the flexibility to find out about news and events, provide access to key contacts and stakeholders and of course get connected and co-ordinated.

Please do feedback to Margaret for the next meeting scheduled for 18th October 2018.

## Meet the Neighbours: LeoGym

**Our regular quick-fire Q&As with a fellow tenant.**

### Whereabouts are you in the Business Park?

Fieldhouse Lane, Marlow, SL7 1LU

### What does your organisation do?

Having taken inspiration from some of the coolest gyms around the world, combined with recruiting the Head of Visual Design from Selfridges for their refurbishment, Leo Gym Marlow has created something quite special.

Leo Gym Marlow is an exclusive facility offering;

- State-of-the-art open space gym floor for functional fitness in small classes;
- Boutique Yoga Studio offering Yoga, Pilates and Barre (Pay as you go);
- Luxury treatment rooms with some of the best sports-therapists around;

- High-end changing rooms with a true boutique feel;
- Members Only Health Café;
- Merchandise Area in partnership with Lululemon.

### How long have you been in the Business Park?

We opened May 2018.

### What attracted you to Globe Business Park?

A great community feel with a rich and diverse range of businesses and the close links to Marlow Town.

If you'd like to be featured here in future, please get in touch:

[margaret.mccarthy@groundwork.org.uk](mailto:margaret.mccarthy@groundwork.org.uk)

### Welcome to GBP - Bomgar

**Bomgar have joined the growing number of businesses moving to Globe Business Park, and have recently moved their European HQ into Lunar House, Fieldhouse Lane. They haven't moved far, having previously been based in Marlow town centre.**

Bomgar, whose global headquarters are in the US, offers identity and access management solutions for privileged users, helping organisations of all sizes to defend themselves against today's most prevalent cyber security threats, as well as providing industry leading secure remote support solutions to internal and external support teams.

Privileged accounts are coveted targets for attackers and businesses must protect these from both internal and external threats. Bomgar's solutions enable businesses to fully implement the principle of least privilege and to quickly identify and protect all their privileged credentials. They also allow businesses to automate critical privileged access management capabilities, significantly improving their security posture while also improving end-users' ability to do their jobs and support the business.

**For more information you can contact Bomgar at:**

[www.bomgar.com](http://www.bomgar.com) or on 01628 480210.

# BOMGAR™

## Another Wonderful Walk

A big thank you to everyone who joined us for the Summer Walk back on 20th June.

Please do join us for the Autumn walk on 5th September. Look out for further details coming to you in August.

Great weather for the summer walk

## Marlow RUFC Planning Application

Marlow Rugby Club have submitted a planning application for a "change of use" of its car park. This will allow the Club to rent up to 136 of its parking spaces to GBP users mid week 8am-6pm.

**For more information or if you would like to support this application please visit the Wycombe District Council planning portal:**

[publicaccess.wycombe.gov.uk](http://publicaccess.wycombe.gov.uk)  
 Planning Reference: 18/06215/FUL

Flexible

# Congratulations to CSL Digital

## CSL Digital lands International Trade and Export Business Award

On May 22nd 2018 – CSL Digital, residents on Globe Business Park, landed the prestigious International Trade and Export Award, sponsored by Heathrow, at a glittering Business Awards Ceremony staged at the Aylesbury Waterside Theatre.

CSL Digital, well known in the UK for supplying and supporting wide format digital printing and cutting systems, on behalf of major manufacturers like Roland and Fujifilm, has also invested significantly in its international trade and export activities over recent years. Now all those late nights and early mornings supporting international customers worldwide has paid further dividends with the kudos that comes with winning the International Trade and Export Business Award, sponsored by Heathrow.

According to the organisers of the Business Awards, 2018 was a record-breaking year in terms of entries and the quality of those entries made the judging process very tough for everyone involved. The time, energy and enthusiasm that went into the entry process did not go unnoticed and the Business Awards recognise and reward the unique achievements of businesses like CSL Digital.

### Huw Davies, Sales and Marketing Director – CSL Digital,

“Given the high calibre of the other companies in the International Trade and Export category, we were genuinely taken aback to win this award. It’s an amazing achievement that everyone at CSL Digital can take great pride in. To be recognised by an organisation such as Heathrow is a huge honour and it will go a long way to helping us further expand our overseas business activities.”

## Fitter Longer

### Fitter Longer can help support your employee benefits programme

UK Government statistics from 2016 tell us that around 9.5 million working days are lost every year as a result of musculoskeletal disorders, a significant number of which are related to lower back and neck pain – often as a consequence of the time spent by employees working in sedentary roles, seated at computers. Many businesses are now adopting a more proactive duty of care for the overall wellbeing of their staff, offering services such as onsite chair massage, where regular sessions have proven positive benefits for both employee and employer, including:

- Stress relief and easing of RSI, muscular tension and pain;
- Improved circulation and oxygen flow to the body and the brain;

- Energised staff and improved productivity;
- Reduced absenteeism.

Fitter Longer will work with your HR team to understand specific challenges in relation to employee well-being and can tailor programmes including chair massage, circuit training and small group personal training. These can be integrated flexibly around business hours and tailored to the needs of the workforce in relation to the nature of work they are doing.

For more details contact **Julian 07956 428810** or visit the website: [www.fitterlonger.com](http://www.fitterlonger.com)

Please visit the GBP website for news and information about the GBP!

[www.globebusinesspark.co.uk](http://www.globebusinesspark.co.uk)

You can also find information about the BID, including our current board members and the initiatives being rolled out for GBP.
