Sign up for the  
BID-member Bike  
Share Scheme.

Follow the QR code for  
instructions and video.

### The Globe Bike Scheme was officially launched on 2nd July!

Designed to make travelling around the park and Marlow easier, healthier and more sustainable, the new scheme is free to BID member employees and offers a convenient way for Globe BID employees to get between key locations while reducing their carbon footprint.

Bikes are available from docking stations at Globeside, BAP, and soon Marlow Train Station, making them ideal for commuting, travelling between sites, or even a lunchtime ride. Bikes are completely free for up to 24 hours use for all Globe BID Businesses, just sign up with your work email on the Donkey Republic App. To view our brand new user guide video please visit: [globebusinesspark.co.uk/bike-share](https://globebusinesspark.co.uk/bike-share) or scan the QR code above.

### Additional BID Projects

A new biodiversity initiative launching this October to boost biodiversity across the park through additional planting, branded GLOBE bug hotels, wildlife features and informative signage.

Working with Buckinghamshire Council's Business Continuity Planning Team to strengthen emergency preparedness through the development of action plans and a rapid text alert system, ensuring businesses can be quickly informed about and during incidents.

Continuing to engage with landowners and key stakeholders on potential solutions to increase parking availability for businesses and visitors.

We'll be sharing more as these initiatives develop so watch this space.

## Hello there!

Welcome to the September edition of The Globe, bought to you from Globe Business Improvement District (BID). The Globe provides updates on events and activities around the Business Park and any topics that might affect businesses and the local infrastructure.

If you have anything you'd like to share with the GBP business community or would like to feature in the next newsletter, please do get in touch. We'd love to hear from you!

## Come Join us at the Globe Quiz Night!

### Thursday 24th September at Millars Eatery 6-8pm

Please do come along to the Globe Quiz Night on Thursday 24th September, held at Millars Eatery.

There'll be delicious Millars food and drink available, a fabulous quiz led by our wonderful Quizmaster and BID Chair, Gareth Hughes and prizes to be won.

The quiz is completely free to attend but we will be collecting donations for Meals for Marlow, our local charity, so please bring a few pounds per team if you're able to.

Teams must be registered in advance. To register your team (or sign up to join one) please email Beth at [Elizabeth.bennett@groundwork.org.uk](mailto:Elizabeth.bennett@groundwork.org.uk).

## Keep Your Wellbeing a Priority This Autumn!

Autumn is here, and we're delighted to continue our popular Globe BID wellness programme, helping you stay active, energised and refreshed throughout the season.

## Step Away from Your Desk: Join Our Autumn Wellness Walk & Free Lunch

Need a midday reset? Take some time out and join us for a refreshing Autumn Wellness Walk on Thursday 1st October, from 12:15-12:45pm.

We'll meet outside Travelodge at 12:15pm before taking a gentle stroll to the river and back—a great opportunity to enjoy some fresh air, stretch your legs, and catch up with colleagues and fellow Globe businesses. After the walk, you're invited to stay and enjoy a complimentary lunch.

Reserve your place by Tuesday 29th September by emailing Beth at [Elizabeth.bennett@groundwork.org.uk](mailto:Elizabeth.bennett@groundwork.org.uk). Please remember to let us know if you have any food allergies or dietary requirements when you register.

## New Lamppost Banner Programme to Showcase Local Businesses

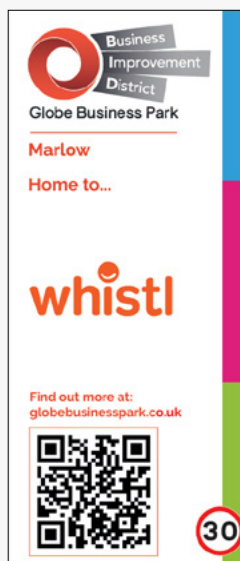

Over the next few weeks, we will be refreshing the Business Park's lamppost banner scheme with updated business logos, helping to create a vibrant and professional environment that reflects the strength and diversity of our business community.

The current scheme features 22 banners displayed on columns throughout the park. We are pleased to announce that the banner installation will be further expanded, bringing the total number of banners to 41. Of these, 24 will proudly feature the logos of businesses that are members of the Globe Business Park BID, providing an excellent opportunity to showcase and celebrate the businesses within our community.

The refreshed banners will provide increased visibility for businesses operating within the park while creating a stronger sense of identity and pride across the estate.

We look forward to unveiling the refreshed banners and seeing even more businesses represented across the Business Park.

Thank you to all participating companies for helping us continue to promote and celebrate our local business community.

## Next Sustainability Group Meeting

Following the success of our previous sessions, we're excited to be planning the next Globe & Cressex Sustainability Group Meeting this autumn.

Our expert-led meetings bring local businesses together to explore the latest sustainability challenges and opportunities, while providing a valuable chance to network with others on their own environmental journey. Previous topics have included Carbon Reduction, Net Zero, and Extended Producer Responsibility, with practical insights that businesses can put into action.

As we plan our next event, we'd love to hear from you. Is there a sustainability topic you'd like to learn more about or discuss with fellow businesses? If so, please get in touch with Beth at [elizabeth.bennett@groundwork.org.uk](mailto:elizabeth.bennett@groundwork.org.uk) - your suggestions will help shape the agenda.

We look forward to welcoming you to another informative and collaborative session.

## Spotlight on a Globe business... BAP Pharma

### 1. Tell us your business name and what your business does in one sentence.

BAP Pharma specialises in the sourcing, supply, and distribution of high-quality comparator products, the development and production of clinical secondary packaging/labelling, and in providing tailored early and managed access solutions to HCP's and patients across the globe.

### 2. What's something surprising or unusual about your business?

The opportunity to meet so many different companies/clients and learn from them especially during audits and the feedback they provide. The unusual part is we get to save patient lives which is not something everyone can say.

### 3. What do you enjoy most about working on Globe Business Park?

Networking opportunities with lots of small to medium sized enterprises; recreational activities that are provided by GBP (quiz nights, HIIT classes at Leo gym, monthly walks, meditation classes etc.)

### 4. Where's your go-to place for coffee, lunch or a team treat nearby?

Spaces is great for everyday lunch; Coopers as a treat.

### 5. How long have you been here and what made you choose this location?

We moved to GBP in March 2022 as we needed an expanded office space and warehouse, due to the fast growth experienced by the organisation. The location was a major factor (with good road transport links to the M4/M40), as well as the office space that we managed to secure.

### 6. What's been a proud moment for your business recently?

Hiring our 100th employee is a real milestone for the company and showcases our phenomenal growth in the space of 13 years; continued increases in revenue and profit; expansion into additional services/divisions.

### 7. What's one piece of advice you'd give to a new business starting out?

Please please perform thorough market research before setting up a new business; e.g. Which customers to target, large or small? What is your unique selling proposition? What differentiates your business from competitors? How to position your company and offering? Pricing (premium or middling). Have a realistic 5 year strategy/goal.

### 8. Where can people find out more about you? (Website, socials, etc.)

## Your Bucks, Your Say: Have Your Say on Buckinghamshire Council's Budget

Buckinghamshire Council is asking residents and businesses to help shape its future spending priorities. Like councils across the country, rising demand for essential services, inflation, energy costs and reduced government funding are placing increasing pressure on budgets.

Around three-quarters of the council's budget is spent on statutory services, including adult social care, children's services, home-to-school transport and temporary accommodation for people experiencing homelessness. Despite these challenges, the council has maintained a balanced three-year budget plan through to 2029.

Current investment priorities include weekly bin collections, road maintenance, children's homes and fostering, planning enforcement, town centre regeneration, youth employment programmes, and the use of AI to improve efficiency and customer service.

The council's net revenue budget for 2026/27 is £607 million, alongside a £655 million four-year capital programme funding major infrastructure and long-term projects.

Residents are encouraged to share their views through the online consultation before 11:59pm on Sunday 18 October 2026. Feedback will help shape the draft budget, which will be published for further consultation before final approval in February 2027.
